What is St. Kevin's Student Residence?

St. Kevin's is the former Student Chaplain's Manse, which is now available as a Student Residence to all faiths. There are 6 single bedrooms available in this semi-detached house in Dartry, close to the Green Luas line (Milltown stop) and 14A, 44 and 48A bus routes.

Primarily, it is envisioned that students in Second year and above will be allocated rooms. First Years are invited to apply for our other Residence, Wesley House.

It is our desire that in this Student Residence we would seek to continue to provide a Christian community for students as they continue their studies in Dublin.
